Muruli N

BE – Information Science & Engineering | GMU , Davanagere

+91 9113837782 • murulimagics@gmail.com • LinkedIn • GitHub

TECHNICAL SKILLS

Programming Languages: Python C, Java, Python

Data Structures & Algorithms: Arrays, Linked Lists, Stacks, Queues, Sorting, Searching

Web Development: HTML, CSS, Full Stack Web Development, RESTful APIs

Databases: MySQL, MongoDB | **Tools:** Git, Docker, Linux

Concepts: Operating Systems, Computer Networks, Database Management Systems (DBMS)

Data & Machine Learning: NumPy, Pandas, Matplotlib, Scikit-learn

INTERNSHIP

WSA | Remote Mar 2026 – Apr 2026

Full Stack Web Development Intern

- Developed responsive web applications using HTML, CSS, JavaScript, and the MERN stack following the Software Development Life Cycle (SDLC).
- Gained hands-on experience in frontend and backend development, API integration, and full-stack application development.

PROJECTS

Sentiment Analysis using Machine Learning

Tech Stack: Python, Scikit-learn, Pandas, TF-IDF, NLP

• Built a sentiment classification model using Python, Scikit-learn, TF-IDF, and Natural Language Processing (NLP).

• Applied text preprocessing, feature extraction, and model evaluation techniques to improve classification performance.

DevOps-Based Blue-Green Deployment System

Tech Stack: Docker, Nginx, GitHub Actions, Docker Compose

• Developed a Blue-Green Deployment system to enable zero-downtime application deployment using Docker containers.

• Configured Nginx as a load balancer to seamlessly switch traffic between Blue and Green environments.

• Implemented a CI/CD pipeline using GitHub Actions to automate build, testing, and deployment processes.

Student Management System

Tech Stack: Java, MySQL

• Developed a Student Management System to manage student records, attendance, and academic details.

• Implemented CRUD operations with database integration for efficient data management.

• Designed a user-friendly interface to simplify record management and retrieval.

CERTIFICATIONS

• Full Stack Web Development (MERN) Internship | WSA *view*

• Full Stack Development – Frontend Essentials (Stage–2) | GM University

• Introduction to Full Stack Development (Stage–1) | GM University

• Embracing Data Structures and Algorithms for Project Development | GM University

• Data Analytics Job Simulation | Deloitte **view**

• EDUCATION

• GM University, Davanagere Oct 2023 – Jun 2027

BE in Information Science and Engineering

CGPA: 7.1 (till 5th Semester) | 10th – SSLC: 87.21 %
